Subject: Fwd: SSP2 - Third River Sampling

Can we do this these three starting on Tuesday?

>>> "Simmons, Doug" <doug.simmons@aecom.com> 10/14/2013 9:12 AM >>>

We would like to begin the Third River sampling tomorrow. Because of tides and boat size it is going to take us several days to get the two stations above the bridge done.

Is it okay to begin tomorrow?

If everything continues as planned we will wrap up with the small boat this week and the larger boat by mid next week.
